PROGRAMME STRUCTURE

Doctor of Philosophy (PhD) is offered by full research. Students should have adequate research knowledge and skills as stipulated by the Academic Committee. Students who do not possess these criteria are required to register and pass the following two (2) pre-requisite courses with at least a B grade before they continue with their research:

- SZRZ6014 Research Methodology
- SCLE6014 Academic Writing; and/or
- Any other courses as determined by the supervisor or Academic Committee

Students are also required to:

- present their research work at colloquiums/symposiums arranged by the Graduate School
- present and successfully defend their research proposal

To complete the Ph.D. programme, students are required to:

- present and defend the proposed research/thesis to a committee;
- present progress reports of research work at colloquiums arranged by the Graduate School or College;
- produce at least two (2) articles, in (Option A or Option B).

  Option A:
  at least one (1) article is accepted for publication in ISI Journal or Scopus; and at least one (1) article is under review for publication in a refereed journal.

  Option B:
  Two (2) articles are published in a refereed journal.

- attend a viva session to defend the thesis; and submit a final thesis.
