Introduction

The industrial training evaluation rubric is designed to provide a comprehensive assessment of the student's performance and professional growth during their placement. It encompasses 6 key section that essential for career readiness, including **Interpersonal Skills**, **Leadership, Autonomy, and Responsibility**, and **Ethics and Professionalism**, which focus on communication, teamwork, initiative, and adherence to professional standards. The rubric also emphasizes technical and project-based learning through the evaluation of **Practical Skills** and **Mini Project Presentation**, assessing the quality of project execution and communication effectiveness. Additionally, the student's ability to document their experiences using digital tools is assessed through the **Digital Industrial Training Logbook**. This comprehensive evaluation framework aims to provide valuable insights into the student's achievements and areas for development.

Instruction

1. Please assess the intern based on the provided rubric by assigning marks (0-4) for each section as follows:

    i. **Intern Assessment**
    - Interpersonal Skills
    - Leadership, Autonomy, Responsibility Skills
    - Ethics and Professionalism

    ii. **Industrial Training Project Evaluation**
    - Practical Skills

    iii. **Industrial Training Project Presentation Evaluation**
    - Communication Skills

    iv. **Industrial Training Digital Logbook**
    - Communication Skills

2. Your evaluation and feedback are highly valued and essential for the student's development.

SECTION A: ORGANIZATION BACKGROUND

1. Please tick your organization sector

- ☐ Government Organization
- ☐ Private Organization
- ☐ Government Link Company

2. Please tick your organization area

- ☐ Manufacturing
- ☐ Processing
- ☐ Advertising
- ☐ Services
- ☐ Animation Production
- ☐ Film Production
- ☐ Consultation
- ☐ Education
- ☐ Research
- ☐ Others

3. Duration of service of undergraduate in Multimedia field at your organization

- ☐ Less than a year
- ☐ 1-2 years
- ☐ 3-5 years
- ☐ More than 5 year

SECTION B: INTERN ASSESSMENT (30%)

1. INTERPERSONAL SKILLS (15%)

Evaluate the student's ability to communicate clearly, confidently, and professionally in various workplace settings, collaborate effectively with colleagues across different roles, and build and maintain positive, respectful, and productive relationships within the organization

Attributes	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Interaction with others *(The ability to communicate, collaborate, and engage effectively with people)*	No interest to participate in conversations and no eye contact	Take part in conversations when initiated by others and limited eye contact	Take the initiative to start conversations and appropriate eye contact	Maintain conversations in a respectful manner and maintain good eye contact	Engage in conversations effectively and use appropriate eye contact and body language
Active Listening *(Fully concentrating and engaging with what someone else is saying, showing interest and understanding by asking questions and responding appropriately)*	No effort and tolerance in listening to a discussion or accepting opinions from others	Little effort and tolerance in listening to a discussion or accepting opinions from others	Satisfactory efforts and tolerance in listening to a discussion or accepting opinions from others	Tolerant in listening and capable in providing feedbacks	High tolerance in listening and providing appropriate responses respectfully
Team working *(The ability to collaborate and contribute effectively with others within a group or team to achieve objectives)*	No ability to collaborate and contribute effectively with others within a group or team to achieve objectives	Demonstrates limited ability to collaborate and contribute effectively with others within a group or team to achieve objectives	Demonstrates adequate ability to collaborate and contribute effectively with others within a group or team to achieve objectives	Demonstrates good ability to collaborate and contribute effectively with others within a group or team to achieve objectives	Demonstrates excellent ability to collaborate and contribute effectively with others within a group or team to achieve objectives
Conveying idea *(The ability to express thoughts, information, or concepts clearly and effectively to others)*	No ability to express thoughts, information, or concepts clearly and effectively to others	Demonstrates limited ability to express thoughts, information, or concepts clearly and effectively to others	Demonstrates adequate ability to express thoughts, information, or concepts clearly and effectively to others	Demonstrates good ability to express thoughts, information, or concepts clearly and effectively to others	Demonstrates excellent ability to express thoughts, information, or

					concepts clearly and effectively to others
Conflict resolution *(The ability to address and settle disagreements or conflicts in a constructive and peaceful manner)*	No ability to address and settle disagreements or conflicts in a constructive and peaceful manner	Demonstrates limited ability to address and settle disagreements or conflicts in a constructive and peaceful manner	Demonstrates adequate ability to address and settle disagreements or conflicts in a constructive and peaceful manner	Demonstrates good ability to address and settle disagreements or conflicts in a constructive and peaceful manner	Demonstrates excellent ability to address and settle disagreements or conflicts in a constructive and peaceful manner
Positive Attitude and Motivation *(Demonstrates enthusiasm, positivity, and the ability to inspire others)*	Shows no enthusiasm, positivity, and the ability to inspire others	Shows little enthusiasm, positivity, and limited ability to inspire others	Shows moderate enthusiasm, positivity, and adequate ability to inspire others	Shows good enthusiasm, positivity, and the decent ability to inspire others	Shows excellent enthusiasm, positivity, and exceptional ability to inspire others
Willingness to Accept Critiques/Comments *(The willingness to receive constructive criticism and feedback)*	Demonstrates no willingness to receive constructive criticism and feedback	Demonstrates little willingness to receive constructive criticism and feedback	Demonstrates adequate willingness to receive constructive criticism and feedback	Demonstrates good willingness to receive constructive criticism and feedback	Demonstrates excellent willingness to receive constructive criticism and feedback
TOTAL					**/28**
TOTAL PERCENTAGE					**/15%**

2. LEARDERSHIP, AUTONOMY AND RESPONSIBILITY (10%)

Assess the student's ability to take initiative in leading tasks, make well-informed and independent decisions, demonstrate problem-solving skills, and take full responsibility for their actions, ensuring accountability and professionalism in the workplace

Attributes	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Initiative and Self-Motivation *(The ability to take proactive actions and drive tasks forward)*	No ability to take proactive actions and drive tasks forward	Limited ability to take proactive actions and drive tasks forward	Adequate ability to take proactive actions and drive tasks forward	Good ability to take proactive actions and drive tasks forward	Excellent ability to take proactive actions and drive tasks forward
Leadership *(The ability to demonstrate leadership qualities in a team setting)*	No ability to demonstrate leadership qualities in a team setting	Limited ability to demonstrate leadership qualities in a team setting	Adequate ability to demonstrate leadership qualities in a team setting	Good ability to demonstrate leadership qualities in a team setting	Excellent ability to demonstrate leadership qualities in a team setting
Adaptability to Change *(The ability to adapt to new situations, challenges, and work environments)*	No ability to adapt to new situations, challenges, and work environments	Limited ability to adapt to new situations, challenges, and work environments	Adequate ability to adapt to new situations, challenges, and work environments	Good ability to adapt to new situations, challenges, and work environments	Excellent ability to adapt to new situations, challenges, and work environments
Strategic Thinking *(The ability to think ahead, plan and align actions to intended tasks)*	No ability to think ahead, plan and align actions to intended tasks	Limited ability to think ahead, plan and align actions to intended tasks	Adequate ability to think ahead, plan and align actions to intended tasks	Good ability to think ahead, plan and align actions to intended tasks	Excellent ability to think ahead, plan and align actions to intended tasks
Autonomy *(The ability to work independently and take ownership of tasks and decisions)*	No ability to work independently and take ownership of tasks and decisions	Limited ability to work independently and take ownership of tasks and decisions	Adequate ability to work independently and take ownership of tasks and decisions	Good ability to work independently and take ownership of tasks and decisions	Excellent ability to work independently and take ownership of tasks and decisions

Trustworthy *(Fulfil commitments and has trustworthiness)*	Does not fulfil commitments and no trustworthiness	Fulfil some commitments and has little trustworthiness	Fulfil all commitments and has adequate trustworthiness	Decent display of commitments and has good trustworthiness	Exceptional display of commitments and has excellent trustworthiness
TOTAL					**/24**
TOTAL PERCENTAGE					**/10%**

ETHIC AND PROFESSIONALISM (5%)

Evaluate the student's commitment to upholding ethical standards, demonstrating integrity, and maintaining professionalism in all workplace interactions, including adherence to organizational policies, respect for confidentiality, and responsible decision-making.

Attributes	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Ethical Awareness *Apply ethical principles in the given task)*	Fail to apply ethical principles in the given task	Apply some ethical principles in the given task	Sufficiently apply ethical principles in the given task	Proficiently apply ethical principles in the given task	Excellently apply ethical principles in the given task
Integrity *(Demonstrate integrity in the given task)*	No integrity in completing the given task	Limited integrity in completing the given task	Adequate integrity in completing the given task	Good integrity in completing the given task	Demonstrate Excellent integrity in completing the given task
Professional Responsibility *(Demonstrate professionalism in completing the given task)*	No professionalism in completing the given task	Limited professionalism in completing the given task	Adequate professionalism in completing the given task	Good professionalism in completing the given task	Excellent professionalism in completing the given task
Ethical Decision-Making *(The ability to make decisions independently, considering the impact on the team and project)*	No ability to make decisions independently, considering the impact on the team and project	Limited ability to make decisions independently, considering the impact on the team and project	Adequate ability to make decisions independently, considering the impact on the team and project	Good ability to make decisions independently, considering the impact on the team and project	Excellent ability to make decisions independently, considering the impact on the team and project
Work Responsibility *(Demonstrate work responsibility in completing the given tasks)*	No work responsibility in completing the given tasks	Limited work responsibility in completing the given tasks	Adequate work responsibility in completing the given tasks	Good work responsibility in completing the given tasks	Excellent work responsibility in completing the given tasks

Respect for Others *(Demonstrate respect among peers in completing the given task)*	No respect among peers in completing the given task	Limited respect among peers in completing the given task	Adequate respect among peers in completing the given task	Good respect among peers in completing the given task	Excellent respect among peers in completing the given task
TOTAL					**/24**
TOTAL PERCENTAGE					**/5%**

SECTION C: INDUSTRIAL TRAINING PROJECT EVALUATION

1. PRACTICAL SKILLS (15%)

Assess the student's technical proficiency and ability to effectively apply practical multimedia skills in the mini project, including creativity, problem-solving, adherence to industry standards, and the use of appropriate tools and technologies to achieve project objectives.

Attributes	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Media and Materials Manipulation (*The ability to efficiently use various media and materials for the project)*	No ability in using diverse media and materials for the project.	Limited ability in using diverse media and materials for the project.	Adequate ability in using diverse media and materials for the project.	Good ability in using diverse media and materials for the project.	Excellent ability in using diverse media and materials for the project.
Work Effort *(The amount of initiative, commitment, and effort put into completing the assigned tasks)*	No effort, initiative and commitment in completing assigned task	Limited effort, initiative and commitment in completing assigned task	Adequate effort, initiative and commitment in completing assigned task	Good effort, initiative and commitment in completing assigned task	Excellent effort, initiative and commitment in completing assigned task
Visual Appearance *(The aesthetic quality of the multimedia work, including design, layout, and overall appearance)*	Show no aesthetic quality of the multimedia work, including design, layout, and overall appearance	Show limited aesthetic quality of the multimedia work, including design, layout, and overall appearance	Show adequate aesthetic quality of the multimedia work, including design, layout, and overall appearance	Show good aesthetic quality of the multimedia work, including design, layout, and overall appearance.	Show excellent aesthetic quality of the multimedia work, including design, layout, and overall appearance
Techniques *(The application and execution of various techniques in multimedia)*	Show no ability in the application and execution of multimedia technique	Show limited ability in the application and execution of multimedia technique	Show adequate ability in the application and execution of multimedia technique	Show good ability in the application and execution of multimedia technique	Show excellent ability in the application and execution of multimedia technique
Creativity *(The ability to generate original and innovative*	No ability to generate original and innovative	Limited ability to generate original and innovative	Adequate ability to generate original and innovative ideas for multimedia projects	Good ability to generate original and innovative	Excellent ability to generate original and

ideas for multimedia projects)	ideas for multimedia projects	ideas for multimedia projects		ideas for multimedia projects	innovative ideas for multimedia projects
TOTAL					**/20**
TOTAL PERCENTAGE					**/15%**

SECTION D: INDUSTRIAL TRAINING PROJECT PRESENTATION EVALUATION

1. COMMUNICATION SKILLS (10%) (ORAL)

Evaluate the student's ability to deliver a clear, confident, and well-structured presentation of their mini project, including their articulation of key concepts, use of visual aids, engagement with the audience, and ability to respond to questions effectively.

Criteria	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Knowledge and Content *(Demonstrates understanding within the subject matter)*	Show no understanding within the subject matter	Show limited understanding within the subject matter	Show adequate understanding within the subject matter	Show good understanding within the subject matter	Show excellent understanding within the subject matter
Clarity and Delivery (*Demonstrates effective and engaging presentation with visual aids)*	No presentation; no visual aids	Limited presentation; minimal use of visual aids	Adequate presentation; moderate use of visual aids	Good presentation; moderate use of visual aids	Excellent presentation; good use of visual aids
Engagement and Interaction *(The ability to engage and interact with the audience)*	No engagement and interaction with the audience	Limited engagement and interaction with the audience	Adequate engagement and interaction with the audience	Good engagement and interaction with the audience	Excellent engagement and interaction with the audience
Confidence *(Demonstrate the confidence of the student in their delivery)*	Shows no confidence in their delivery	Shows limited confidence in their delivery	Shows adequate confidence in their delivery	Shows good confidence in their delivery	Shows excellent confidence in their delivery
Response to Feedback *(Ability to response and adapt to audience or unexpected situation)*	No ability to response and adapt to audience or unexpected situation	Limited ability to response and adapt to audience or unexpected situation	Adequate ability to response and adapt to audience or unexpected situation	Good ability to response and adapt to audience or unexpected situation	Excellent ability to response and adapt to audience or unexpected situation
TOTAL					**/20**
TOTAL PERCENTAGE					**/10%**

SECTION E: DIGITAL INTERNSHIP LOGBOOK

1. COMMUNICATION SKILLS (5%)(WRITTEN)

Evaluate the student's ability to document their internship experience through informative digital logbook.

Attribute	Not Available (0)	Below Basic (1)	Basic (2)	Proficient (3)	Advance (4)
Clarity and Organization *(The ability to clearly communicate and organize ideas, points, and information in writing)*	No ability to clearly communicate and organize ideas, points, and information in writing	Limited ability to clearly communicate and organize ideas, points, and information in writing	Adequate ability to clearly communicate and organize ideas, points, and information in writing	Good ability to clearly communicate and organize ideas, points, and information in writing	Excellent ability to clearly communicate and organize ideas, points, and information in writing
Content Quality and Relevance *(Writing's content, including facts, details, arguments, and evidence related are relevancy to the topic)*	The content is irrelevant, inaccurate, or lacks substance.	The content is relevant but lacks depth, accuracy, or relevance in some areas.	The content is mostly relevant but may contain some inaccuracies or gaps in information.	The content is relevant and generally well-researched, with some minor gaps or areas for improvement.	The content is highly relevant, well-researched, and provides valuable insights or information. It fully addresses the topic or purpose.
Language, Grammar, and Mechanics *(The ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing)*	No ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing	Limited ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing	Adequate ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing.	Good ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing	Excellent ability to choose and use words with proper rules, sentence structure, and technical writing aspects for effective writing
Use of Supporting Evidence *(The ability to include relevant evidence to support ideas)*	No relevant evidence to support ideas	Limited relevant evidence to support ideas	Adequate relevant evidence to support ideas	Good relevant evidence to support ideas	Excellent relevant evidence to support ideas

Use of Digital Tools and Formatting *(The ability to effectively use digital tools to create logbooks include appropriate use of layout and font consistency)*	No ability to use digital tools in creating logbooks; does not follow logbook formatting	Limited ability to use digital tools in creating logbooks; minimally follow logbook formatting	Adequate ability to use digital tools in creating logbooks; moderately follow logbook formatting	Competent use of digital tools in creating logbooks; good logbook formatting	Excellent use of digital tools in creating logbooks; exceptional logbook formatting
